Quail Botanical Gardens has rapidly become San Diego County's location of choice for a unique, picturesque and memorable outdoor wedding. With a mild year-round climate, the Gardens can be assured temperate most times of the year.

We offer daytime weddings all year long and sunset weddings from April through October. We suggest the bride and groom visit the Gardens first to determine the best site for their needs, as many smaller areas are also suitable.

To discuss further details such as available dates and times, or to make an appointment for a reservation, please call (760) 436-3036 x205.
